Bio

Janay is a creative director in the making based in NYC who is passionate about bringing people together through design and storytelling. She is constantly exploring new ways to push boundaries and challenge the status quo, with a deep appreciation for humanity and all its messy, beautiful complexities at the core of her work. Janay believes that the best brands and products are the ones that connect with people on an emotional level and reflect our shared experiences.

With a background in advertising and digital design, Janay brings a unique perspective to every project she works on. She thrives on finding creative solutions that not only look great but also deliver real results, from brand strategy to UI design. But beyond the technical skills, what really sets Janay apart is her commitment to empathy, diversity, and inclusivity. She believes that design has the power to bring about positive change, and she is always looking for opportunities to make a difference in the world around her.

Testimonials

"Having Janay on our team is such a pleasure. She's someone who clearly punches above her weight and does so with such a positive attitude. Janay worked on many of our existing clients as well new business pitches – Ranging from consumer product brands to Pharma, and I was so impressed not only by the impact she has made in such short time, but how easily and quickly she could adapt across many categories. Thank you, Janay – anyone is lucky to have you."

–Joel Rodriguez, Global Executive Creative Director & Partner

"She is a creative problem solver who comes up with fresh innovative ideas to solve client problems. She has a keen eye for design and her passion shines through her work. Overall her outstanding group ethic and charisma make her an amazing person to work with. Working on projects never felt like work with Janay on the team. It was always a healthy balance of laughs and producing great work. The success of this exceptional work dynamic was depicted in our project "Cheat With V" for which we were awarded a Young Ones Shortlist."

Experience

FILS UNIQUE.

"Janay, a talented graphic design intern at Fils Unique, showcased her passion, creativity, and strong work ethic throughout her time with us. She quickly adapted to our environment and consistently delivered high-quality work and fresh ideas. Not only was she good at suggesting new ideas, her talent was also very noticeable at the execution of these ideas. Janay's notable contributions include the successful design of our company's new collection website. Her positive attitude and interpersonal skills make her a joy to work with. I wholeheartedly recommend Janay for future graphic design positions and anticipate her continued success in the field."

–Nicolas van Heule, Founder of Fils Unique
